

PARK & \$AVE

Did you know Tulsa Transit now has free parking areas (Park-n-Save lots) along local bus routes where you can park-and-ride the bus?

Because a lot of people don't live directly along a route, it's helpful to have parking areas where some may prefer to park-and-ride the bus.

Now there are 13 new locations where bus riders can park-and-save by riding public transit.

See the list of new locations to find out if there's a park-n-save lot on your route:

PARK & SAVE LOCATIONS:
