

**Request for Proposals #23-04**  
**Metropolitan Tulsa Transit Authority (MTTA)**  
**Microtransit Software Amendment# 2**  
**September 16, 2022**

This amendment provides additional information to firms responding to RFP #23-04 Microtransit Software issued by MTTA.

Purpose: This amendment addresses a needed change in the RFP document and answers potential vendor questions.

**1. Question about deadline for Questions:**

On page 1, In the “Anticipated schedule for selection of a Proposer” the Deadline for Questions Regarding the RFP is listed as September 9, 2022. Addendum #1 indicated the deadline is September 2, 2022. The actual deadline is September 9, 2022, at 4:30PM.

**2. There is a question concerning extending the proposal deadline.**

Due to other projects currently in the works MTTA is unable to extend the deadline beyond the September 30<sup>th</sup> 2022 date.
